			As a whole, the property was in very good condition. In the property's 2006 inspection, all of the maintenance plan's projects	
			were either completed or in the process of being completed. By this inspection, all the plan's projects have been completed.	
			Some of the details we looked at:	
			Awnings	
			o Most of the building's awnings have been replaced—several in recent months.	
			Shingles o Replaced in 2007	
			Plaques	
			o Some of the building's contracts have a clause with instruction to place a plaque on the property.	
			 o No plaque has been installed—we will have to look in to whether one should be installed or not, since many of the contracts do 	
			not have that direction.	
			Front entrance floor concrete/brick	
			o Good condition

Yabu Restaurant	La Cienega	521	PUP 97-09	26-Aug-97	10 years plus 5 year options.	12 N-2:00 a.m.	Not sure where the parking space number came from. Only the application was found in the file – no actual PUP resolution. The application states 10 employees and that offsite parking is to be located at Lot 2.8 <u>portion</u> of Lot 3, block K, TR#5105 indicating more than "1 space"; but Resolution CO 97-36 states that "parking is across the alley" (implying customer parking, as well as employee parking) w/o a number of spaces. No lease in file.
