2018 - HAPPY NEW YEAR, WEST HOLLYWOOD! - 2018

Happy New Year, WeHoTV fans! I hope you had a wonderful holiday season. Well, here we are in January, and as we look forward to 2018, watch for some small changes to our regular programming. Don't worry; the guide will be right here, and you can follow us on Facebook or Twitter to get real-time changes to programming, and some insightful information about new shows and movies. Beginning this month, and for the next three months, WeHoTV will rebroadcast a documentary series, "The Constitution - That Delicate Balance" that explores how decision-makers interpret the Constitution in light of today's issues. And although this series was recorded more than 30 years ago, the issues covered are still valid today. Topics include executive privilege, war powers, the death penalty, National Security, immigration reform, states' rights, and more. Apparently, these matters are not as easily resolved as we would like believe they are. But perhaps the good news is that the discussion can, and does, continue.

CITY CINEMA

with Tom Hatten

Film historian Tom Hatten introduces these classic movies and provides information on the films and on the people involved in making them. Look forward to a new (*old*) movie each week on WeHoTV.
