WOMEN'S
ADVISORY BOARD

THE POWER OF CHANGE IS IN OUR HANDS...

Women Helping Women ~ Community Counseling & Support Services (WHW), is dedicated to providing high-quality, integrated mental health and supportive services to a diverse community of women, children and families at-risk and in need. WHW offers free and sliding-scale individual, couple and family therapy to help clients with a variety of issues, including: abuse/ trauma, anxiety, child abuse, depression, domestic violence, parenting or family concerns, and relationship issues. WHW is a program of the National Council of Jewish Women/ Los Angeles, a grassroots organization of volunteers and advocates who turn progressive ideals into action.

The West Hollywood Women's Advisory Board (WAB) advises the City Council on policies and other issues pertaining to women, advocates on behalf of women's rights, and provides programming addressing women's concerns. The month of March is nationally recognized as Women's History Month—a time to commemorate and reflect upon the many accomplishments of women and the continuing struggle for equal rights.

The West Hollywood Chamber of Commerce is a voluntary, action oriented, non-profit association of business and professional leaders working together to promote the commercial and economic growth of West Hollywood and to foster civic improvements that benefit the general welfare of those who live, work and visit here.
