The Current and Historic Preservation Planning Division prepares and administers the City's General Plan, all zoning and subdivision ordinances, and reviews and makes recommendations on land use development applications in order to guide the future growth and development of the City as determined by the City Council. The Division also provides public information regarding planning issues; manages inter-jurisdictional review; promotes historic preservation; and performs environmental review pursuant to the California Environmental Quality Act. The Division also staffs the [Planning Commission](#) and [Historic Preservation Commission](#). The Current and Historic Preservation Planning Manager is John Keho.

The Planning Counter is open from 8am to 12pm for routine planning/zoning questions and zone clearance submittals. All other application submittals and in-depth review of new development projects or property/zoning research is available Tuesdays and Thursdays by appointment only from 1:30pm to 4pm. Please call the Planning helpdesk to make an appointment: (323)848-6475.
