## **Long-term Temporary Urban Artworks**

### **The West Hollywood Library Murals**

Three large scale murals on the exterior of the West Hollywood Library Parking Garage by Shepard Fairey, Retna, and Kenny Scharf, 2011. [Note: a UV/anti-graffiti coating was applied to these works upon installation and has an expected lifespan of 8-10 years.]

### **Street Signs:**

*Regard.* by Rebecca Lowry, municipal poetry street signs placed at eleven sidewalk sites, 2010.

### **Frostig Collection:**

*These, and any other temporary City urban artworks that are installed on Santa Monica Blvd. medians, need to be cleaned a minimum of once quarterly (four times a year).*

***Please note that the Frostig Collection sculptures are scheduled for de-installation in June/July 2013 with a new installation of sculptures to be installed shortly thereafter. Sculptures on the median are generally large scale. The scope of services may be amended depending upon the sculptures that will be in place and the particular maintenance issues they may require. The sculptures are located on the Santa Monica Boulevard median between Doheny and Almont Drive.***
