The classification "Retail Stores" shall include businesses predominately selling merchandise to the general public. This classification does not include businesses which predominately sell merchandise on a wholesale basis. This classification also does not include businesses which predominately provide services to the public (such as dry cleaners, beauty salons, travel agencies, or private mailing and copying services), even if such businesses make sales of merchandise incidental to the provision of their primary service.

The following types of businesses will not be assessed:

- accounting/auditing
- adjustment and collection
- business consultants
- commercial photography
- computer programmers
- dental laboratories
- engineering services
- entertainers
- executive offices
- foreign trade and international firms
- general medical and surgical services
