The Committee cannot discuss or take any action on items not listed on the posted agenda. (Limited to 2 minutes per speaker.)

IV. DESIGN DEVELOPMENT (6:20PM)

Design Development is the process of refining and fixing the design, and working out all the details, including the selection of materials and the engineering systems. The aim is to finalize all design decisions before proceeding with Construction Documents, the more detailed and extensive documents that a contractor will need to construct the project. Work in this phase typically includes the following: finalizing all design issues

that affect the look of the building and the feel of the rooms and choosing finish materials.

A. Aquatic and Recreation Center Design Development

1. Exterior Building

- General Building Finish
- Glass, Translucent Glass, Specialty Glass
- Accent Materials
- Metal
- Exterior Lighting
- Signage Options

2. Interior Building:

- Interior Flooring Options
- Interior Accent and General Paint Color Options
- Interior Accent Material Options
- Restroom Material Options
- Interior Metal Options
- Interior Lighting Options

B. West Hollywood Park Design Development

1. Tree Palette & Plan layout
2. Shrub Palette & patterning
3. Hardscape materials & patterning
