

WEST HOLLYWOOD ARTS AND CULTURAL AFFAIRS PRESENTS

# MAURO PERUCCHETTI

## MODERN HEROES

Featuring comic-book-like icons of masculinity, Modern Heroes is a pop art reference to Michelangelo's Sistine Chapel and the artist's belief in marriage equality.

## MICHELANGELO 2020: A TRIBUTE TO WOMEN

Michelangelo's iconic David is given a contemporary update by reimagining the hero in female form. Strong and courageous as the male figure she replaces, Perucchetti's work symbolizes the artist's belief in gender equality.
