

FREE CLASS

California Friendly Landscape Training

Saturday, December 12, 2015 | 9 a.m. to noon

(please arrive at 8:30 a.m. to complete registration)

At the class, learn to create a California friendly garden using the latest sustainable materials and techniques.

Course covers use of:

- native plants and edibles
- water-efficient irrigation devices (drip irrigation, "smart" sprinkler controllers)
- rainwater capture and permeable materials
- on-site water retention to reduce water run-off and pollution to the ocean

Sponsored by:
