Permit Application Acknowledgement

Resident Permits are issued to a specific vehicle and are non-transferable between vehicles. Resident permits are issued to residents who have provided proof of residency within a Preferential Parking District within the City of West Hollywood and State of California vehicle registration.

Guest Permits shall be used solely for visiting the resident to which the permit is registered and only for the duration of the visit.

Parking permits shall not be used for any other purpose than described above. Unauthorized use may subject the owner and user of the permit to criminal prosecution, fines, and suspension of future permit privileges.

I declare that I understand and agree to the statement above and that the information provided on this application is true and correct under penalty of perjury under the laws of the State of California.
