Am I required to have health insurance?

Most people are required by law to have health insurance or pay a tax penalty. In 2017, the penalty is \$695/adult, \$347.50/child under 18 (up to \$2,085/family) or at least 2.5% of your annual household income, whichever is higher.

*Proof of current income of all members in the tax household such as a recent tax return, W-2, or pay stub. A dependent's income should only be included if their income level requires them to file a tax return. A household is defined as the person who files taxes as head of household and all the dependents claimed on that person's taxes. If you don't file taxes, you can still qualify for free or low-cost insurance through Medi-Cal.

**You can apply for your child even if you are not eligible. Households that include members who are not lawfully present can also apply.

You have options

Covered California offers four levels of coverage: Bronze, Silver, Gold and Platinum. Insurance companies pay a portion of covered services, and the benefits offered within each level are the same no matter which insurance company you choose.

COVERAGE LEVEL	ANNUAL DEDUCTIBLE	AVERAGE PAID BY	
		INSURANCE COMPANY	YOU
Bronze	YES	60%	40%
Silver	YES	70%	30%
Gold	NO	80%	20%
Platinum	NO	90%	10%

- **Choose Platinum or Gold** and you'll pay a higher monthly premium, but you'll pay less for medical services.
- **Choose Silver or Bronze** and you'll pay a lower monthly premium, but you'll pay more for medical services.
- **A minimum coverage plan** is available to those under 30 or those who can prove financial hardship.

*Silver is the only level where your deductible and other costs may be lower based on your household income.
