

RESOLUTION NO. 17-4944

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST HOLLYWOOD IN SUPPORT OF AB 1578 (JONES-SAWYER) TO PROHIBIT LOCAL AND STATE AGENCIES FROM COOPERATING WITH FEDERAL AUTHORITIES IN WAYS THAT VIOLATE THE STATE'S CANNABIS LAW

THE CITY COUNCIL OF THE CITY OF WEST HOLLYWOOD DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, California was the first state to decriminalize the use of medical cannabis through Proposition 215, the California Compassionate Use Act, which made it legal for patients and their designated primary caregivers to possess and cultivate cannabis for their personal medical use if they have the recommendation or approval of a California-licensed physician; and

WHEREAS, the California Legislature adopted the Medical Marijuana Regulation and Safety Act (MMRSA or MCRSA), establishing the regulatory framework for permitting for medical cannabis cultivation and dispensaries, etc. at the state level with local approval; and

WHEREAS, California voters approved Proposition 64, the Adult Use of Marijuana Act (AUMA), which allows adults 21 and over to purchase and possess a limited amount of cannabis for recreational personal; and

WHEREAS, President Obama's administration provided assurances that if California developed a robust regulatory and enforcement system for medical or personal cannabis use by adults, California residents who complied with state laws and regulations would have a reasonable expectation that they would not be subject to harassment, arrest or incarceration by the federal government; and

WHEREAS, with the change in federal leadership, President Donald Trump and Attorney General Jeff Sessions have suggested that they will crackdown on the personal/recreational use of cannabis with the expectation that state and local officials will assist in their efforts; and

WHEREAS, using state and local resources for the administration's agenda is an overreach that would completely undermine both the will of California voters and state laws enacted by our State Legislature; and

WHEREAS, AB 1578, introduced by Assembly Member Reginald Byron Jones-Sawyer (D-Los Angeles), will protect Californians who are operating lawfully under state law by providing that, absent a court order, local and state

agencies, including regulators and law enforcement, shall not assist in any federal enforcement against state authorized medical cannabis or commercial or noncommercial marijuana activity; and

WHEREAS, the City of West Hollywood is on record in supporting previous proposals to legalize the medical and personal/recreational use of cannabis in California including Proposition 215 and Proposition 64.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of West Hollywood supports AB 1578, to prohibit local and state agencies from cooperating with the federal authorities in ways that violate the state's cannabis law.
