

How to apply for an E-PLUMBING Permit on eTRAKIT

Select plumbing permits can be applied for on eTRAKIT by contractors actively registered with the CA Contractors State License Board (CSLB). For a list of plumbing permits available on eTRAKIT please refer to the [eTrakit Permit Guide](#). Contractors require an eTRAKIT account to apply for e-permits. Refer to [eTRAKIT – Information Log-in Guide for Contractors](#) to create an account.

Log into eTRAKIT

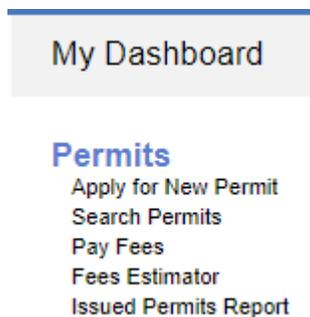

West' Hollywood's eTRAKIT systems can be accessed through the following link:

<https://permits.weho.org/etrakit3/>

Once you have landed on the City's eTRAKIT page, on the upper, left hand corner, please select "Contractor" in the log in. Enter your contractor's license number as your username and the password you created.

Once logged in, you will be directed to your dashboard. On the left hand side menu, under the permits option, select "Apply for New Permit".

IMPORTANT! Please read the disclaimers before proceeding. By selecting "I Agree", you agree to the terms for using eTRAKIT.

After selecting the "I Agree", you may proceed to the permit application.

STEP 1 – Select the “Permit Type” from the drop down menu that you are applying for. In the “Notes:” field, enter the scope of work and be as clear as possible (see the [eTrakit Permitting Guide](#) for online permits available). Enter the job valuation in the “*Job Value” field.

PERMIT Type	E-PLUMBING ▼
Notes:	Replace 50 gallon water heater
*Job Value	\$2,500.00

In the “Building Information” section, please complete all fields. If your permit is for work in a condominium building, indicate in the “HOA” pull down menu. Incorrect information will delay the issuance of your permit.

Enter the address of the property for which the permit is being applied for in “Location”. Enter a partial address to ensure that you can find the correct address registered in eTRAKIT. When entering the partial address, select “SEARCH” and an address list will generate. Please select from this list.
