

DESIGN

- Provocative and creative submission
- Incorporates creative seating elements
- Use of durable materials, locally-sourced and sustainable materials
- Integration of landscaping and other green elements
- Responds to the unique characteristics of the site in which it is being proposed
- Transcends boundaries of gender, age, race, income and physical ability

ENGAGEMENT

- Provides a creative, interactive and active use that draws in people into the space
- Creates an experience that does not already exist for pedestrians

UTILITIES

- Allow gutter flow maintenance
- Allow for curb/gutter cleaning
- Provides access to and/or avoids utility covers/manholes

MAINTENANCE

- Durable and cleanable materials
- Drought tolerant plants
- Parts are easily replaced/ maintained

STEWARDSHIP

- Designated single, clear steward for the parklet
- Steward has time, resources and commitment

SAFETY, ACCESSIBILITY AND INCLUSION

- Parklet contributes to traffic calming by putting more activity at the edges of the street
- Ease of maintenance and cleaning
- Speed limit and clearances near parklet create a safe environment for users
- Design creates no tipping/toppling/jumping hazards near traffic
- ADA accessibility throughout, and in transition to sidewalk
- Accessible/equivalent tables and amenities
- Accessible handling of steep grades and transitions
