

RESOLUTION NO. PC 19-1318

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF WEST HOLLYWOOD, RECOMMENDING TO THE CITY COUNCIL APPROVAL OF A ZONE TEXT AMENDMENT AMENDING TITLE 19, WEST HOLLYWOOD ZONING ORDINANCE, TO AMEND STANDARDS FOR PROJECTS SPANNING COMMERCIAL AND RESIDENTIAL ZONE DISTRICTS, WEST HOLLYWOOD, CALIFORNIA.

The Planning Commission for the City of West Hollywood hereby finds, resolves, and orders as follows:

SECTION 1. Projects spanning commercial and residential zone districts need to be compatible with the surrounding neighborhoods. The proposed zone text amendment will require development projects which span residential and commercial zone districts to construct separate buildings, which will improve neighborhood compatibility of development projects.

SECTION 2. A public hearing was duly noticed for the Planning Commission meeting of April 4, 2019 by publication in the Beverly Press newspaper, the West Hollywood Independent Newspaper, and the City website and by announcement on City Channel 6 starting March 21, 2019. On April 4, 2019, the Planning Commission continued this item to a date certain of May 16, 2019.

SECTION 3. The zone text changes are Categorical Exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061 of the CEQA Guidelines. Section 15061 states that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Requiring separated buildings in commercial and residential zone districts will decrease the size of buildings and increase open space in setbacks, which will not have any significant impacts on the environment.

SECTION 4. The Planning Commission of the City of West Hollywood hereby finds that Zone Text Amendment 2018-0007 is consistent with the Goals and Policies of the General Plan, including Policy H-2.4: Establish and maintain development standards that support housing and mixed-use developments while protecting and enhancing the quality of life goals and Policy LU-1: Maintain an urban form and land use pattern that enhances quality of life and meets the community's vision for its future. Additionally, the expanded green space will further Goal LU-9, Encourage multi-family residential neighborhoods that are well maintained and landscaped, and include a diversity of housing types and architectural designs.

SECTION 5. Based on the foregoing, the Planning Commission of the City of West Hollywood hereby recommends approval to the City Council of Zone Text Amendment 2018-0007, which is attached hereto as Attachment A.
