## Understanding the City of West Hollywood

# RESIDENTIAL EVICTION MORATORIUM

### Related to COVID-19

#### What a Residential Tenant Financially Impacted by COVID-19 Can Do

1. Notify landlord of inability to pay, in writing, within 30 days after rent is due
2. State financial impacts related to COVID-19
3. Support the claim with documentation or an explanation

#### **Effective through July 31, 2020 Unless Extended**

No landlord shall endeavor to evict a tenant if the tenant has demonstrated they have been financially impacted by COVID-19. Additionally, the eviction moratorium limits the grounds for eviction to the following 4 areas: **1) nonpayment of rent NOT due to impacts of COVID-19; 2) using the unit for an illegal purpose; 3) creating a dangerous and unsanitary condition; and 4) an imminent and objectively verifiable threat to the health and safety of someone in the tenant's household or in the property.**

#### Paying Rent Delayed

A tenant must pay any rent delayed during the emergency period within 12 months after the end of the local emergency. The landlord may not charge a late fee or interest on the rent during the emergency period or in the 12 months that follow.

the emergency period. The urgency ordinance grants a defense in the event an unlawful detainer action is begun.

#### No Rent Increases for Rent Stabilized Housing

Beginning April 6, 2020, and through 60 days after the expiration of the local emergency period, rent shall not be increased for occupied units subject to the City of West Hollywood Rent Stabilization Annual General Adjustment. For resources and more information visit [www.weho.org/coronavirus](http://www.weho.org/coronavirus).

## TENANT DEFENSE PROGRAM

The COVID-19 pandemic has led to an unprecedented rise in unemployment applications and business shutdowns. The City of West Hollywood is partnering with Bet Tzedek Legal Services to expand legal aid services in order to prevent evictions.

#### The Tenant Defense Program provides preventative services and full scope representation in eviction cases.

With early intervention, conflicts can be addressed sooner and resolved before the matter escalates into the filing of a court case.

Tenant Defense Program services include:

- Advice and Counsel
- Education
- Advocacy
- Letters to Landlords
- Representation in Court

Full scope representation is available to tenants who have unlawful detainer cases filed against them and who seek services at least three-days prior to their scheduled trial appearance. This representation would be provided through judgment, settlement or case dismissal.

Legal services are provided at no cost to individuals who live in the City of West Hollywood. Services are provided regardless of immigration status and accessible to tenants with physical disabilities and tenants who speak a language other than English.

Please call (323) 549-5841 to speak to a representative from Bet Tzedek Legal Services.

## Rebates for Annual Rent Stabilization Ordinance (RSO) Registration Fees

- The 3-year window for rebates now available begins September 2017 and ends August 2020. The filing deadline is August 31, 2021.
- 9/1/2020 - 8/31/2021 rent can be increased by 0.75%
- RSO Annual program fee pass-through \$6/month

### Eligible for a Registration Rebate Fee?

If you live in a rent stabilized apartment, are at least 62 years old or are disabled, and meet HUD's very low income standards (one person household: \$36,550; two person household: \$41,800) you may be eligible for a fee rebate of your portion of the RSO annual program fee.

Rebates for each of the last 3 years will be issued to tenant households who paid the monthly fee to their landlords, and have filed an application establishing their eligibility.

### Registration Fees and the Fee Pass-through

#### What is the RSO annual rent registration fee program?

It is a per unit fee billed to landlords of rent stabilized properties. It funds the administration of the Rent Stabilization Ordinance (RSO).

#### What is the registration fee pass-through?

The RSO allows one-half of a unit's registration fee to be passed through to its tenants as a rent surcharge. The tenants' portion must be prorated over 12 months. It cannot be charged as a lump sum. Section 8 units are not billed the tenant portion of the fee; therefore no tenant portion can be passed through.

### How much is the fee?

The fee is \$144 per unit. The \$72 tenant portion is pro-rated so that landlords can collect a \$6 rent surcharge every month. The registration fee for Section 8 tenancies is \$60 per unit, no part is passed-through to tenants.

### Does Collecting the Pass-through Limit Rent Increases?

No. The fee pass-through is not rent. It is a surcharge that is applied after the rent increase is calculated.

Landlords may increase rent by the Annual General Adjustment and then add the \$6 monthly pass-through.

### Tenant Habitability Plan Required for Seismic Retrofitting

Before a landlord can receive a building permit for seismic retrofitting work in an occupied residential building, they must submit a plan that discloses impacts to occupants and how they will mitigate that impact.

Tenant Habitability Plans assist contractors design and complete work in a manner least impactful to occupants. Depending on the work proposed, a plan could include best practices, temporary relocation, or other actions to reduce impacts while completing the work.

### Interested in Climate Change? Want to Share your Feedback?

## Annual General Adjustment for Sept. 1, 2020 - Aug. 31, 2021 is 0.75%

Rent Increases cannot be applied through 60 days after the expiration of the local emergency period

The Annual General Adjustment (AGA) for dwellings on properties with two or more units first occupied or receiving certificate of occupancy prior to July 2, 1979 is 0.75% beginning September 1, 2020.

The AGA is 75% of the rise in the Consumer Price Index for Los Angeles-Long Beach-Anaheim all Urban Consumers from May to May rounded to the nearest one-quarter of one percent.

For May 2020 the CPI-U, which is determined by the Department of Labor's Bureau of Statistics, increased 0.861% over May 2019. 75% of the May CPI-U is 0.646%.

Rounding to the nearest one-quarter of one percent results in an AGA of 0.75%.

This year the AGA cannot be applied through 60 days after the expiration of the local emergency period declared on March 16, 2020.

16 марта 2020 года городской совет Уэст-Голливуда провозгласил местное чрезвычайное положение и принял временный мораторий на выселение из жилых домов.

Действительно на период с 16 марта по 31 июля 2020 года, если чрезвычайное положение не будет продлено дополнительно **ВЫСЕЛЕНИЯ ЗАПРЕЩЕНЫ**.

Арендодателям воспрещаются попытки выселить арендаторов, если арендатор демонстрирует неспособность платить арендную плату из-за финансовых последствий, вызванных COVID-19, или у которого есть несанкционированные жильцы в связи с COVID-19.

**Что может сделать арендатор жилья, испытывающий финансовые трудности из-за COVID-19?**

1. Сообщить арендодателю о невозможности оплатить аренду в письменном виде в течение 30 дней после наступления срока оплаты.
2. Указать финансовое воздействие, вызванное COVID-19.

**Оплата задержанной арендной платы**  
Арендатор должен оплатить всю арендную плату, отсроченную на период действия чрезвычайного положения, в течение 12 месяцев после окончания местного чрезвычайного положения.
