Summary: Current federal income tax laws disallow a deduction or credit for business expenses of a trade or business whose activities consist of trafficking specified controlled substances, including marijuana. The Personal Income Tax Law conforms to those federal income tax law provisions with respect to deductions. This bill, for each taxable year beginning on or after January 1, 2020, and before January 1, 2025, would specifically provide in the Personal Income Tax Law for nonconformity to that federal law disallowing a deduction or credit for business expenses of a trade or business whose activities consist of trafficking specified controlled substances only for commercial cannabis activity, as defined under MAUCRSA, by a licensee under MAUCRSA, thus allowing deduction of business expenses paid or incurred during the taxable year in carrying on that commercial cannabis activity under the Personal Income Tax Law.

Summary: The Control, Regulate and Tax Adult Use of Marijuana Act imposes duties on the Bureau of Cannabis Control in the Department of Consumer Affairs, the Department of Food and Agriculture, and the State Department of Public Health with respect to the creation, issuance, denial, suspension and revocation of commercial cannabis licenses, and imposes an excise tax commencing January 1, 2018, on the purchase of cannabis and cannabis products at the rate of 15% of the average market price of any retail sale by a cannabis retailer. Commencing January 1, 2018, AUMA also imposes a cultivation

Summary: MAUCRSA, until January 1, 2020, authorizes a licensing authority to issue a provisional license to an applicant that holds, or held, a temporary license for the same premises and the same commercial cannabis activity, if specified conditions are met. Current law required the provisional license to be valid for 12 months and prohibits the provisional license from being renewed. This bill would, until September 15, 2019, revalidate an expired temporary license issued by the Department of Food and Agriculture, if the licensee submitted an application for an annual state license and application fees for the same premises and commercial cannabis activity for which the temporary license was issued, before the licensee's temporary license expiration date.

I agree with the Legislature that "the State of California has a strong interest in ensuring that its voters make informed, educated choices in the voting booth." As one of the largest economies in the world and home to one in nine Americans eligible to vote, California has a special responsibility to require this information of presidential and gubernatorial candidates. These are extraordinary times and states have a legal and moral duty to do everything in their power to ensure leaders seeking the highest offices meet minimal standards, and to restore public confidence. The disclosure required by this bill will shed light on conflicts of interest, self-dealing, or influence from domestic and foreign business interest. The United States Constitution grants states the authority to determine how their electors are chosen, and California is well within its constitutional right to include this requirement. In October of 2018, the Brennan Center's National Task Force on Rule of Law and Democracy, a bipartisan group of former public servants and policy experts, recommended that Congress standardize and codify the longstanding practice of tax return disclosure by sitting presidents, vice presidents, and candidates for those offices to assist voters and deter corruption. I agree. This law should be a national standard. Accordingly, I am signing Senate Bill 27.

Sincerely, Gavin Newsom

Summary: Current law generally regulates the operation of bicycles, electric bicycles, motorized scooters, and electrically motorized boards. Current law allows local authorities to regulate the registration, parking, and operation of bicycles and motorized scooters in a manner that does not conflict with state law. This bill would define a "shared mobility device" as a bicycle, electric bicycle, motorized scooter, electrically motorized board, or other similar personal transportation device, that is made available to the public for shared use and transportation, as provided.

SB 638 (Allen D) Leases: electric vehicle charging stations: insurance coverage.

Current Text: Chaptered: 10/12/2019 [html](#) [pdf](#)

Status: 10/12/2019-Signed by the Governor

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires a lessor of a dwelling to approve a written request of a lessee to install an electric vehicle charging station at a parking space allotted for the lessee in accordance with specified requirements, including the lessee maintaining in full force and effect a lessee’s general liability insurance policy in the amount of one million dollars (\$1,000,000), as provided. This bill would remove the requirement to obtain a general liability insurance policy, and instead require the lessee to obtain personal liability coverage, in an amount not to exceed 10 times the annual rent charged for the dwelling, covering property damage and personal injury proximately caused by the installation or operation of the electric vehicle charging station.
