FOOD + MUSIC + KIDS ART + FUN GAMES + PRIZES

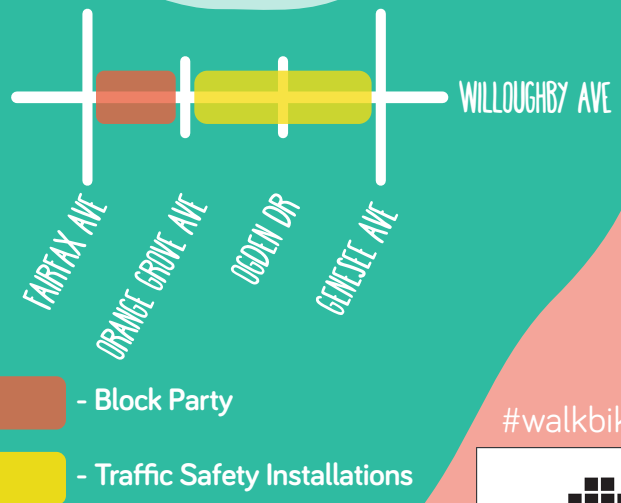

Come join the City of West Hollywood as we test potential streetscape improvements at a community block party! We will set up temporary installations in the roadway that encourage traffic to slow down and make it easier and safer to walk and bike on the street. This event is for all ages and is open to the public. Come and give your feedback! There will be food, drinks, music, and activities.

West Hollywood is working to create safe and walkable streets along Willoughby Avenue, Kings Road, and Vista/Gardner Streets. The project aims to enhance the streets to be more comfortable and inviting for pedestrians and bicyclists of all ages and abilities.

Due to parking limitations, you are encouraged to walk, roll, or take transit to the event. Bike parking will be provided.

For more information, go to www.weho.org/walkbike or contact City of West Hollywood Senior Transportation Planner Bob Cheung at BCheung@weho.org or by phone at (323) 848-6346.
