PUBLIC NOTICE
PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the West Hollywood Planning Commission will hold a Public Hearing to consider the following item:

LOCATIONS: CITYWIDE, West Hollywood, California

REQUEST: The proposed Zone Text Amendment will amend Title 19, Zoning Regulations, to require that rental dwelling units (apartments, duplexes and accessory dwelling units) in the City of West Hollywood be rented for an initial lease term of one year. After a one year lease, these rental units may be rented month-to-month or on other terms set in the lease. This regulation will not apply to single family homes or condominiums available for rent, which are required to be rented for 30 days or more.

The proposed regulations will allow units in rental buildings in Commercial Zone Districts that have been rented for 30 days or more between January 1, 2018 and March 15, 2020, to obtain an Administrative Permit to continue to rent those units for 30 days or more, as a legal nonconforming use, until December 31, 2029. In the Sunset Specific Plan area, buildings with the Administrative Permit will be eligible to apply for a Conditional Use Permit to rent up to 30% of eligible units in the building for five days or more.

Different iterations of this Zone Text Amendment have been reviewed by the Planning Commission, following the West Hollywood Director of Planning and Development Services' 2017 interpretation of the Zoning Ordinance as to the length of time that a residential dwelling unit must be rented to be considered a residential dwelling unit and not a short term rental. The terms of this proposed Zone Text Amendment described in the second paragraph above are the product of a tentative settlement agreement of a lawsuit over this interpretation as applied to the building at 8500 Sunset. The tentative settlement requires the City to return with an amended Zone Text Amendment for review by the Planning Commission and City Council, which includes taking public input on the Amendment during public hearings. This item will be heard by the Planning Commission on June 18, 2020 and is tentatively scheduled for review by City Council in July, with further notice to be provided as legally required. A companion item will also be heard at the June 18, 2020 Planning Commission meeting concerning the above mentioned permits and use of the units at 8500 Sunset (this item will be separately noticed as required by law).
