EXECUTIVE ORDER NO. 2020-10

EMERGENCY EXECUTIVE ORDER OF THE CITY MANAGER/DIRECTOR OF EMERGENCY SERVICES OF THE CITY OF WEST HOLLYWOOD, CALIFORNIA, IMPLEMENTING EMERGENCY MEASURES TO ORDER THE LIMITED REOPENING OF CITY PARKS ADOPTED TO PREVENT THE FURTHER SPREAD OF COVID-19

SECTION 1. RECITALS

- A. All of the recitals in West Hollywood Director of Emergency Services Executive Order Nos. 2020-1, 2020-2, 2020-3, 2020-4, 2020-7, 2020-8 and 2020-9 remain in effect and are incorporated herein by reference.
- B. On July 23, 2020, the City Manager adopted Emergency Executive Order 2020-09, closing Plummer Park and West Hollywood Park, following numerous reports to City staff and the Sheriff's Department, that visitors of City parks have been witnessed not complying with park rules adopted to curb the spread of COVID-19. Visitors had reportedly failed to comply with the City's face covering requirement and have altered/and or destroyed protective barriers intended to keep playgrounds closed. The closures were intended to safeguard the public health and safety of City residents by ordering the closure of city parks where visitors have reportedly refused to comply with the State, County and local face covering requirements and social distancing measures that are intended to and have been demonstrated to help reduce community transmission of COVID-19.
- C. The Order was ratified by the City Council on August 3, 2020. In order to ensure adequate opportunities for outdoor recreation and fresh air, which are important during this time where individuals are encouraged to stay home as much as possible, the City began developing a limited reopening plan. This reopening plan will provide opportunities for safe outdoor recreation, by creating a reservation system for individuals to reserve park space provided the visitors comply with park rules.
- D. During the pendency of the local emergency and statewide state of emergency, the Director of Emergency Services is empowered: "[to] make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the City Council. . ." under Section 2.80.060 A.(6)(a) of the West Hollywood Municipal Code.
- E. This Order is adopted pursuant to the City's police powers and powers afforded to the City in time of national, state, county and local emergency during an

unprecedented health pandemic, such powers being afforded by the State Constitution, State law, and the Chapter 2.80 of the West Hollywood Municipal Code to protect the peace, health, and safety of the public, and to protect life and property as affected by the emergency, in that this order allows limited reopening of West Hollywood and Plummer Park, subject to a reservation requirement and park rules intended to prevent the spread of COVID-19.

NOW, THEREFORE, I, Paul Arevalo, the Director of Emergency Services for the City of West Hollywood, do hereby issue the following order to become effective immediately, subject to ratification as soon as practicable by the City Council:
