The City of West Hollywood through its Russian Advisory Board invites businesses, artists and performers who have their own online shows and presentations to take part in the 20th Annual Russian Arts and Culture Month Celebration, which will become our first virtual celebration of Russian Arts and Culture. Potential vendors and performers can have an opportunity to have their talents and businesses showcased in the virtual festival. For the entire month of May of 2021, you will have an opportunity to introduce your business and talent to thousands of people as part of the Russian Arts and Culture Month.

Background:

Russian Arts and Culture Festival is an important event in the life of the Russian speaking community, the entire City of West Hollywood and Los Angeles County. The cultural and creative identity of the Russian speaking community is embodied in its visual arts, history, and language. The cultural well-being is derived from sharing its values, beliefs, identity, and self-expression with one another and the Southern California community. Our Russian speaking community represents at least 15% of our city's population and they are an integral factor in our business and economic growth.

Our goal is to promote dialogue, understanding and appreciation between the global citizens of West Hollywood, greater Los Angeles and abroad, as well as to showcase the contribution of the Russian speaking community into the life of the City and our Country.

This year, the Russian Arts and Culture Month will present the Virtual 20th annual Celebration of Russian Arts and Culture that will be celebrating and exploring many aspects of Russian arts and culture brought to this country from the various regions of the former Soviet Union. We are specifically seeking artists, performers, and proposals that highlight Russian heritage, its history, and culture. The month will include a variety of virtual concerts, art exhibits, shows for kids and much more. For questions and other inquiries, please e-mail us at WeHoRusEvents@weho.org or call us at 323-848-6501. Thank you for your interest and we look forward to getting your submissions.
