A. Proposed Amendments to West Hollywood Municipal Code Title 10, Chapter 10.07 Relating to Parking Meters and Parking Payment Devices
Staff report from Bill Bortfeld.

The Commission asked about the difference in impact in sections regarding parking meters and parking lot pay stations and if there is a redundancy.

Bill Bortfeld explained why both are covered in one ordinance.

The Commission asked if vandalism of public property is already covered in a current Municipal Code.

Bill Bortfeld there is not and this change would give parking enforcement a little more authority.

ACTION: Recommend to City Council the adoption of staff's proposed amendments to Title 10, Chapter 10.07 of the West Hollywood Municipal Code.
Motion: Warren 2nd: Kroll
All Aye
