We've been dedicated to helping provide peace of mind and financial security for more than 60 years.

Helping Pay Your Bills, While You Pay Attention to You

What if one day, not very far in the future, you become disabled and you can't go to work. How would you pay for the expenses of daily life such as monthly mortgage or rent, groceries and your utilities? The bills keep on coming even if you're unable to work. That's where Aflac's short-term disability insurance policy can help make the difference. It's a source of monthly income you may need to help take care of your bills while you take care of yourself.

Why Aflac Short-Term Disability may be the best choice for you:

- It's sold on an individual basis. You choose the plan that's right for you based on your financial needs and income.
- We offer the option of guaranteed-issue,¹ short-term disability coverage. That means no medical questionnaire is required.
- We pay you a cash benefit for each day you are disabled.²

Here's how we can help

When disabled, you may not only lose the ability to earn a living, but you may also lose savings or retirement funds. The financial obligations can be overwhelming. Disability insurance plays an integral and important role in your financial planning.

Aflac provides benefits for both total and partial disability. Even if you're able to work, partial disability benefits may be available to help compensate for lost income.

Aflac does not coordinate benefits. Regardless of any other disability insurance you may have, including Social Security, we will pay you directly.
