

SUBJECT: **HOMELESSNESS SUBCOMMITTEE MEETING FREQUENCY**

INITIATED BY: **CITY CLERK'S OFFICE**
(Melissa Crowder, City Clerk)
(Alyssa Poblador, Assistant City Clerk)

STATEMENT ON THE SUBJECT:

The Subcommittee will consider changing the meeting frequency of the City Council Homelessness Subcommittee meetings.

RECOMMENDATION:

The Subcommittee will change its meeting frequency from monthly to quarterly, or monthly to every other month, keep the current meeting frequency, or provide other direction to staff.

BACKGROUND / ANALYSIS:

During 2021, the Subcommittee met monthly and accomplished many of the tasks identified in the [City's Homelessness Initiative](#). Some of those tasks include direction to establish a Behavioral Health Crisis Unit, alternate/additional public restroom facilities, pilot programs for increasing affordable housing in the City, and the City's Homeless Services/Housing Facility Feasibility Study.

Staff is recommending that the City Council Homelessness Subcommittee ("Subcommittee") consider altering the meeting frequency which is currently the 4th Thursday of each month. The Subcommittee may elect to meet every other month, quarterly, as needed, or provide other direction to staff.
