06

Public Comment

Introduction

Important Dates

- **April 5:** Joint City Council/Planning Commission Study Session
- **June (date TBD):** Public Workshop on Draft General Plan
- **June:** *RELEASE OF DRAFT GENERAL PLAN AND EIR*

02

Infrastructure (follow-up)

Infrastructure Policies

- Require that developers of new projects pay for the costs of construction and expansion of streets and utility system improvements necessitated by that development
- Require new development to demonstrate sufficient access to necessary infrastructure and services, such as water, provided by outside service providers.

03

Discussion: Public Safety

(Kristin Cook, Public Safety Manager,
City of West Hollywood)

04

**Discussion: Top
Three Ideas or
Issues**

Top Three Issues/Ideas

- Please briefly describe the top three issues/thoughts/ideas you would like the project team to keep in mind as the Draft General Plan is prepared
- Record your top three on the blue sheet provided
