**2022/2023 LIVING WAGE RATE**

**Notice is hereby given that the West Hollywood City Council has adopted a revised Living Wage Rate (LWR) by way of Ordinance No. 22-1179. The ordinance will be codified in Chapter 3.20 of the West Hollywood Municipal Code "Living Wage Requirements for Service Contracts". The new LWR applies to contractors doing business with the City of West Hollywood. The new Living Wage Rate is \$19.35 per hour effective July 1, 2022.**

**For services provided to the City and its constituents via Social Services Contracts with nonprofit agencies, the Ordinance No. 22-1179 provides for a 3-month delay, to October 1, 2022, in the implementation of the updated living wage rate of \$19.35 per hour. This is a one-time exception in 2022 only to align with the start of the next round of Social Services contracts; all other provisions of the Ordinance will apply as described in the Ordinance thereafter including wage adjustments each July 1.**
