Hello, Mayor Meister and Mayor Pro Tem Shyne -- I may not be able to Zoom into your subcommittee meeting tomorrow morning, but I wanted you to know of my continuing interest. I hope that the meeting has a good turnout from among all the folks who profess interest in tackling this complicated issue. Below FYI is a message sent to the county seeking some clarification about the BRCH report.

Hello -- As I was preparing for our city's next hearing on homelessness, I had been accessing the draft Blue Ribbon Commission on Homelessness Report which I now see was officially adopted on March 30, 2022. Can anyone on this message please let me know what the process for adoption was and when the County Board of Supervisors held its hearing on the final report? Thank you.

Thank you for this clarification but, as often happens, one question leads to others, so:

1. Will the County Board of Supervisors officially receive and be briefed in public about the final BRCH report, and, if so, is there a date?
2. Can the report be amended by the BOS, and then does it have to be officially adopted, or can it just become what we in WeHo have come to know as a "RECEIVE AND FILE" item?

Thanks for your help.

Hi Victor,

I was forwarded your email below. For clarification, the Blue Ribbon Commission on Homelessness' Report was officially adopted on March 30, 2022 by the Commission to be submitted to the Board of Supervisors, and was not adopted by the Board of Supervisors on March 30, 2022.

The Commission adopted the Report during a public meeting by vote. The Agenda and audio of the meeting can be found here: <https://brch.lacounty.gov/Meetings>

Thank you.
