WeHoTV Public Access

Workshops

Check out our calendar for a schedule of workshops. A computer and/or phone capable of running / accessing a Zoom conference may be required for some workshops. You must be a West Hollywood Resident to participate in our program. Most workshops are 2 to 3 hours long.

Orientation - (Conducted on-line) This 1 to 2 hour long Orientation is required for all new members that would like to get involved with the City of West Hollywood's Public Access station. You will be introduced to our policies and guidelines and will have the opportunity to ask questions before joining the program. You must be a West Hollywood resident to participate.

Basic Video Production - (Conducted on-line) This 3 part workshop covers all stages of production. We will cover production fundamentals, the use of commonly available production resources and post-production using Apple's free editing software, iMovie. Sessions will include an interactive activity. These workshops can be taken as a series or as individual workshops. Participants should have either a smartphone and/or a desktop/laptop computer with a current OS to participate.

FCPX - (Conducted on-line) This 2 day workshop is for members that want to learn the basics of editing in FCPX from file management to final export. We will be going over the latest version of FCPX. *Recommended:* A computer with the latest version of FCPX installed, but not essential. You can still participate with earlier versions of FCPX. (However, this is not meant for FCP 8 or earlier users)

FCPX refresher - (Conducted on-line) this workshop is for members who are familiar with FCPX or have previously taken an FCPX workshop and need a refresher. We will be going over the latest version of FCPX. *Recommended:* A computer with the latest version of FCPX installed, but not essential. You can still participate with earlier versions of FCPX. (However, this is not meant for FCP 8 or earlier users)

MOTION - (Conducted on-line) A basic overview of Apple Motion. This 2 part workshop is for members who are proficient with FCPX and would like to add motion graphic animations to their projects using Apple's motion graphics / animation software. *Recommended:* A computer with the latest version of MOTION installed, but not essential.

Virtual Office Hours - Schedule a time for a virtual office meeting on Zoom if you would like to discuss Public Access matters or if you have any questions about an access project you are currently working on. You can also contact us via email at whpa@weho.org or call 323-848-6522 if you have any questions about the program.

WeHoTV Public Access

WeHoTV Public Access

West Hollywood Public Access has been established by the City of West Hollywood to facilitate communication and stimulate dialogue among the residents and participants in the City using the television medium, by providing access to cable television via the Public Access Channel, and access to television production equipment and training via the Public Access Production Program to produce programs for the channel.

Contact us if you have any questions about our program and services or you would like to be put on our mailing list for station updates.

Who Can Submit Programming to WeHoTV Public Access?

You must be a West Hollywood resident and a member in good standing to submit programming for air on our channel

How Can I Submit Programming to WeHoTV Public Access?

We are currently only accepting digital submissions. We accept most file types, but prefer mpg4.

1. Fill out a Cablecast Request Form - You can access our form at www.weho.org/whpa (Forms >Cablecast Request Form)
2. Send a secure link of your submission files to whpa@weho.org using your preferred transfer method, such as Vimeo and dropbox.
3. You will be notified via email once your programming request has been approved.

Please feel free to contact us if you have any questions.
We're here to help!
