**Please Note:** You only need to complete this form if your beneficiary designation requires spousal consent. See Section 4 to see if this applies to you.

In the event of your death, your designated beneficiary(ies) will be entitled to any assets remaining in your account. Please provide all of the requested information for each beneficiary – this information will help MissionSquare Retirement locate your beneficiaries if necessary. **You can always update your beneficiary information online by following the instructions below.**

Designating beneficiaries for your account is important:

- Your designation helps to ensure assets will be paid out according to your wishes and will not be subject to the potential costs and delays of probate, as well as creditor claims. If all of your primary beneficiaries are no longer living at the time of your death, benefits will be paid to your contingent beneficiaries.
- Your beneficiaries may receive more tax advantages.

**Percent of Benefit Information** – If you provide percentages that do not total 100%, or provide non-whole numbers, your designations will be invalid. However, if no percentages are provided for any beneficiary designations, the benefit will be allocated equally among all beneficiaries.

**Trust Beneficiaries** – If you name a trust as your primary or contingent beneficiary, you must submit a complete copy of your entire trust document with this form.

- **VantageTrust Retirement IncomeAdvantage Fund Investors** – To Lock-In and receive spousal benefits from the Fund, your spouse must be designated as the primary beneficiary for 100% of your account, both at the time you Lock-In the benefit and at the time of your death.
