Vaccination Details

Cedars-Sinai will be offering COVID-19 vaccines; Pfizer first doses, second doses, and booster doses including the new bivalent booster.

Please bring your vaccine record if you would like a booster dose.

Appointments for COVID-19 vaccines are encouraged and can be made online at My Turn - myturn.ca.gov - and the vaccine site will be listed as Cedars-Sinai Pop-Up Clinic at West Hollywood Plummer Park.

Some form of ID is required for the COVID-19 vaccine and your vaccination card if you are receiving a second dose or booster; flu vaccinations are walk-up-only and ID is not necessary.

Participants will be required to wear face coverings. Face coverings will be offered for those who do not have them.

Please stay home if you are not feeling well.

For more information about the Outdoor Flu and COVID-19 Vaccination Clinic, please call Cedars-Sinai at (310) 423-4625.
