Minimum Qualifications

All proposers shall be registered as Public Works contractors: A public works contractor is anyone who bids on or enters into a contract to perform work that requires the payment of prevailing wages. It includes subcontractors who have entered into a contract with another contractor to perform a portion of the work on a public works project. It includes sole proprietors and brokers who are responsible for performing work on a public works project, even if they do not have employees or will not use their own employees to perform the work. California's public works prevailing wage requirements extend broadly to workers employed "in the execution of the public works contract" (Labor Code, section 1774). Coverage is not necessarily limited to work performed at the construction site by those in traditional construction trades. For more information, please go to

It is desired that the Proposers have at a minimum staff available to provide the service outlined below. The firm shall possess all the required employee and laboratory certifications, accreditation, and licensing to perform this scope of work in the State of California.

- Material Testing and Inspections Services for Public Works Pavement and Striping Projects and Public Works Construction Projects.
- The City is also seeking the services of a Firm to provide Project Observation Services. The City currently schedules the majority of construction and street maintenance work during the late evening and early mornings and on the weekends. The City seeks a Firm that can provide Observation Services as the City's on-site representative, during these hours.
- Staff Augmentation if needed.

Material and special testing inspections shall include, but is not limited to the following:

- Concrete
- Asphalt
- Structural Steel, including Welding.
- Masonry
- Soil
- Roofing
- Miscellaneous Inspection and Testing
- Project Observation

Evaluation Criteria

- **Qualifications of Provider**
- **Project Approach and Ability to Meet Proposal Requirements**
- **Cost of Services**

Please Refer to Other Proposal Documents: The scope of work and proposal submission process is described in more detail in the Proposal Documents. In particular, Proposers are strongly encouraged to review the Instructions to Proposers for more complete information regarding the submission of proposals.

Owner's Rights: The City of West Hollywood reserves the right to reject any and all proposals or to waive any irregularities or informalities in any proposals should it deem this necessary for the public good, and also the proposal of any Proposer who has been delinquent or unfaithful in any former contract with the City of West Hollywood and to take

all proposals under advisement for a period of ninety (90) days. No proposer may withdraw its proposal for a period of ninety (90) days after the date from the opening thereof. The award of contract, if made, will be in accordance with the evaluation criteria provided in the specifications.
