## Department of Public Works Engineering Division

### **OUTDOOR DINING ENCROACHMENT PERMIT OVERVIEW**

Pursuant to Ordinance 91-310, West Hollywood Municipal Code Chapter 11-28, any usage of the public right-of-way for outdoor dining purposes shall only be authorized by the issuance of an Outdoor Dining Encroachment Permit from the Department of Public Works, Engineering Division. Said permits are revocable in nature, and thus are subject to revocation at any time upon determination by the City of West Hollywood Department of Public Works.

To obtain a permit, the applicant shall submit directly to the Planning Department. Contact (323) 848-6475 or [Planning@weho.org](mailto:Planning@weho.org) for information on how to submit.

The following is required to be submitted and will be reviewed by the Engineering Division:

1. Completed Outdoor Dining Encroachment Permit Application. The application shall be signed by the applicant and property owner at the time of submittal. Incomplete application will result in rejection of the application package. Copy of Business License and Copy of Property Deed shall be submitted
2. 8"x11.5" exhibit, titled "Exhibit A", that is the legal description of the private parcel requesting use of the public right-of-way. Narrative only.
3. 8"x11.5" exhibit, titled "Exhibit B", prepared by a professional surveyor, licensed in the State of California, documenting the area of encroachment of the public right-of-way. The document shall include the legal description of the area in narrative form and in survey map form. The surveyor shall stamp and sign each page, and his name, company name, address, and phone number shall be visible on each page.
4. 8"x11.5" drawing, titled "Exhibit C", of the requested outdoor dining usage of the public right-of-way area. Drawing shall detail the frontage of the applicant's café or restaurant facing the sidewalk area requested for use as outdoor dining. The drawing shall indicate the location of doorways, width of sidewalk (distance from curb to building face), location of trees, tree wells, parking meters, bus shelters and/or bus stop signage, traffic signals, sidewalk benches, trash receptacles, bike racks, utility boxes, fire hydrants, light fixtures, parking and street signs, and any other semi-permanent sidewalk obstruction which may affect or be affected by the proposal. The drawing shall delineate the area requested for use as an outdoor dining area and indicate the total square footage of the affected public right-of-way area and exact dimensions of the proposed outdoor dining area. The drawing shall indicate all objects proposed to be installed by the applicant, such as tables, chairs, planters, awnings, trellises, signs, railings, barriers, podiums, lighting, umbrellas, etc. The drawing shall indicate via dimensions, that the ADA required clear pedestrian passageway is provided for the remaining public sidewalk.
5. Proof of building permit approval by the Building & Safety Department for any proposed element of the outdoor dining area encroaching into the public right-of-way, that is physically attached to the onsite buildings or structures, such as awnings, trellis, signs, etc. Depending on the proposed element, a separate additional Encroachment Permit & Covenant, issued by the Department of Public Works, documenting the specific element may be required prior to final approval of the Outdoor Dining permit. City staff will notify you upon review of the application package.

6. Certificates of Insurance showing that the applicant has procured and maintained in force policies of commercial general liability insurance in an amount not less than one million dollars (\$1,000,000.00) per occurrence, two million dollars (\$2,000,000) general aggregate, for bodily injury, personal injury, and property damage to cover the applicant's operations of the outdoor dining. Such insurance shall be procured from an insurer authorized to do business in California, shall be subject to the approval in writing of the city, shall provide primary and not excessive coverage, shall name the city, its officers and employees, and the property owner as additional insureds and shall contain provisions that prohibit cancellation, modification, or lapse without thirty days' prior written notice to the city. Each general liability insurance policy shall be issued by insurers possessing a Best's rating of no less than A-:VII. In addition, the applicant shall procure and maintain in force Worker's Compensation insurance with statutory limits, and employer's liability insurance with limits of not less than one million dollars (\$1,000,000.00) per accident.. The policy shall be in the property owner's name. Submission of a grant deed is required to verify ownership.

### **Next Steps**

1. Upon completion of satisfactory review of the Outdoor Dining Encroachment Permit Application package, city staff will send to the applicant an invoice for the Outdoor Dining Encroachment Permit Application Review Fee and the Outdoor Dining Encroachment Permit Issuance Fee.
2. If any portion of the applicant's proposed outdoor dining installation impacts the public right-of-way infrastructure, such as but not limited to, drilling into the sidewalk for mounting or securing purposes, City staff will prepare an Outdoor Dining Encroachment Permit security document, to cover the cost to restore the public right-of-way infrastructure upon revocation or withdrawal of the permit. The applicant shall then submit to the city proof of obtaining the security.
3. City staff will prepare an Encroachment Permit & Covenant that will authorize the operation of the outdoor dining area encroaching into the public right-of-way. Applicant shall deliver one original wet ink signed and notarized copy to city staff. Upon recordation at the County of Los Angeles recorder's office, city staff will forward a copy to the applicant for the applicant's files.
