

RESOLUTION NO. 23-047

A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF WEST HOLLYWOOD READOPTING FEES
AND CHARGES FOR CERTAIN SERVICES
PROVIDED BY THE CITY OF WEST HOLLYWOOD.

WHEREAS, the City of West Hollywood (the "City") charges fees for various services, permits, licenses, and regulatory activity provided by the City (collectively, the "Fees"); and

WHEREAS, in order for the Fees to cover the costs of providing the services, permits, licenses, or regulatory activity for which the Fees are imposed, many of the Fees must be adjusted to reflect reasonable estimated costs of service; and

WHEREAS, Willdan Financial Services prepared an updated user fee model to the City's user fee study to reflect current salary rates for Fiscal Year 2023-24; and

WHEREAS, the City Council now wishes to adopt the Fees as set forth in Exhibit "1", effective July 1, 2023; and

WHEREAS, certain Fees are subject to the adoption procedures set forth in Government Code section 66016, and others are subject to the procedures set forth in Government Code section 66018; and

WHEREAS, in accordance with Government Code section 66016, the City has made available to the public at least ten days prior to its public hearing data supporting the Fees, and notice of this hearing has been mailed to all interested persons that have requested such notice at least 14 days prior to the date of this hearing; and

WHEREAS, in accordance with Government Code section 66018, the public hearing was scheduled for May 15, 2023, for the purpose of receiving public comments to the proposed Fees. Notice of the public hearing was given by publication in a newspaper of general circulation within the City once a week for two weeks commencing at least 10 days prior to the public hearing, with at least 5 days intervening between the first and last publication. On May 15, 2023, at the time and place set for the public hearing, the City Council heard and considered all oral and written presentations and comments made regarding the proposed Fees.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST HOLLYWOOD hereby finds, determines, and resolves as follows:

SECTION 1. The above Recitals are true and correct and by this reference incorporated herein.

SECTION 2. The City Council hereby adopts the changes to the City of West Hollywood Fee Schedule indicated in red, and updates the full City of West Hollywood Fee Schedule, the in Exhibit "1" attached hereto and incorporated herein by this reference. The Fees imposed by this Resolution shall take effect on July 1, 2023, or for the Fees subject to Government Code section 66017(a) that "apply to the filing, acceptance, review, approval or issuance of an application, permit, or entitlement to use" or Government Code section 66019(b), 60 days following the adoption of this Resolution. The Fees imposed by this Resolution shall supersede any prior fees or charges imposed by resolution or otherwise by the City Council, to the extent such prior fees or charges conflict herewith.

SECTION 3. The public hearing was scheduled for May 15, 2023, for the purpose of receiving public comments to the proposed Fees. Notice of the public hearing was provided in accordance with Government Code sections 66016 and 66018. On May 15, 2023, at the time and place set for the public hearing, the City Council heard and considered all oral and written presentations and comments made regarding the proposed fees.

SECTION 4. The maximum rate for the Fees set forth in the Schedules, unless otherwise stated, shall be adjusted each July 1, commencing July 1, 2023, by the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) for the Los Angeles-Long Beach-Anaheim Area as of January of such year, provided that if such index shall cease to exist, the City may determine the appropriate increase based on a comparable index. With respect to Affordable Housing In-Lieu Fees and Impact Fees for Commercial Projects, those Fees shall be adjusted each July 1 by the percentage increase in the Builder's Cost Index as of January of such year, provided that if such index shall cease to exist, the City may determine the appropriate increase based on a comparable index. With respect to the annual adjustment of the Affordable Housing In-Lieu Fee, the adjustment shall be based on the average Low Income Housing Tax Credit maximum basis for Los Angeles County for 5% credits, adjusted upwards by 30% for West Hollywood Census tracts as "high development cost areas" per Department of Housing and Urban Development, and adjusted upwards by an additional 5% to account for annual cost increases.

SECTION 5. The City Council finds and determines that:

(a) The Fees established by this Resolution:

(1) are imposed for a specific government service provided directly to the payor, or for reasonable regulatory costs of the City for issuing licenses and permits, performing investigations, inspections, and administrative enforcement of the City's Municipal Code or other rules or ordinances;

Resolution No. 23-047
Page 3

(2) are no more than necessary to cover the reasonable costs of the governmental activity for which the Fee is imposed; and

(3) the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity for which the Fee is imposed; and

(b) The Fees are not taxes within the meaning of California Constitution article XIII C, section 1(e).

SECTION 6. If any section, subsection, clause or phrase in this Resolution or the application thereof to any person or circumstances is for any reason held invalid, the validity of the remainder of this Resolution or the application of such provision to other persons or circumstances shall not be affected thereby. The City Council hereby declares that it would have passed this Resolution and each section, subsection, sentence, clause, or phrase thereof, irrespective of the fact that one or more sections, subsections, sentences, clauses, or phrases or the application thereof to any person or circumstance be held invalid.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of West Hollywood at a regular meeting held this 15th day of May, 2023 by the following vote:

AYES:	Councilmember:	Byers, Heilman, Meister, Mayor Pro Tempore Erickson, and Mayor Shyne

DEPARTMENT: Community Safety
 DIVISION: Neighborhood and Business Safety (NBS)
 Submitted by: Danny Rivas, Director, and Vyto Adomaitis, NBS Manager Ext: 6424

Name of fee: Penalty for Violations of West Hollywood Municipal Code Chapters 5.70 (Cannabis Uses), Chapter 5.92 (Peddlers and Commercial Solicitors), Chapter 9.28 (Crisis Pregnancy Center Advertising), and Chapter 9.53 (Use and Sale of Glue Traps).

This fee is: NEW INCREASE DECREASE

FY 2022-23: N/A

FY2023-24: \$250 - \$5,000

JUSTIFICATION:

The City Council passed ordinances in 2023 amending the West Hollywood Municipal Code related to cannabis uses, crisis pregnancy center advertising, and the use and sale of glue traps. These amendments authorized the issuance of administrative citations for violations of these provisions. Staff believes that a \$1,000 - \$5,000 penalty range is sufficient to deter these types of violations, particularly since a warning will be issued prior to issuance of a citation to gain voluntary compliance and no additional revenue will be realized by the change.

Additionally, staff is recommending Chapter 5.92 (Peddlers and Commercial Solicitors) be added as a penalty to the Administrative Citation Fee Schedule C as opposed to being solely enforced through the use of a misdemeanor criminal citation. This is consistent with the City's philosophy in giving violators a strong financial incentive to cure violations voluntarily, prevent repeat offenses, and to minimize the expense and delay where the sole remedy is to pursue violators in the civil or criminal justice system. Staff believes that a \$250 - \$1,000 penalty range is sufficient to deter this type of violation and no additional revenue will be realized by the change.

FY 2022-23: \$N/A

FY2023-24: \$1000+

JUSTIFICATION:

The City Council has added violations of WHMC Section 17.28.010 relating to registration and re-registration of tenancies subject to the rent control provisions of Title 17 to the administrative citation provisions of the code (WHMC Sections 1.08.030 through 1.08.070). Citation Schedule "E" has been selected as it is commensurate with the level of violation and is consistent with the same violation for failure to register or re-register a non-controlled property subject to the registration requirements of Section 17.28.050.

This fee is: NEW INCREASE DECREASE

FY 2022-23: \$ N/A

FY2023-24: \$250 - \$525 per hour

JUSTIFICATION:

Due to the increase in filming facility rental requests, the Recreation Services Division has developed a Low Impact Partial Facility Rental fee. A Low Impact Partial Facility Rental is defined as a reservation for filming that makes a portion of the facility unavailable to the public to reserve or the Recreation Services the ability to provide programs and classes to the public but requires city staff to be onsite. An example of a Low Impact Partial Facility Rental could be a video filming or a photo shoot. Areas of the facility include the community center, gymnasium, aquatic facility, or the park lawn areas.

JUSTIFICATION:

In June 2022, the City Council approved the transition of Dial-A-Ride, a traditional demand-response program, to an on-demand MicroTransit pilot program that prioritizes older adults and people living with disabilities while serving the general public. Cityline Flex is the name of this new program, which will have no fare for residents over the age of 62 or who are living with a disability. The general public will need to pay \$1 per trip.

The Social Services Division anticipates launching the new pilot program in July 2023.

FY 2023-2024**

DEPARTMENT: PLANNING AND DEVELOPMENT SERVICES DEPARTMENT

DIVISION: Building and Safety

Submitted by: Claudia Duncan on behalf of Building & Safety

Ext: 6383

Name of fee: ***Permit Processing Fees***

This fee is: NEW

INCREASE

DECREASE

FY 2022-23: Various

FY2023-24: 5% increase

JUSTIFICATION:

The Building and Safety Permit Processing Fees are based on estimated costs of processing applications, project plan checking and inspection services. During FY 2022-23 Fee Resolution/Fee Study it was proposed and approved that fees should be increased and would be capped at a maximum of 20 percent of actual cost with a gradual 5 percent annual increase over a period of 4 years. This is the second year of the approved increases.

Name of fee: Encroachment Permit and Covenant (Major/ Minor)

This fee is: **NEW** INCREASE DECREASE**JUSTIFICATION:**

From time to time, a new private property development will propose to construct, encroach, and maintain various objects, such as but not limited to shoring tie-backs, awnings, overhangs, light fixtures, signs, or other various objects, that are located on, over, or under the Public Right-of-Way (the sidewalk, parkway, and/or street area). This can be for a number of factors including, but not limited to, enhancing the appearance/use/functionality of the property.

All such encroachment requests are reviewed on a case by case basis to determine if the request is code compliant and compatible with the existing and future infrastructure use within the public right-of-way.

More and more, developments in the City are tending to maximize the use of private property with full lot building construction land causing the encroaching into the public right of way. As these costs are starting to appear more and more often, the City expense involved in reviewing and approving this permit type needs to be reimbursed, the same way that building permit review fees and other types of permit review fees are collected.

There are proposed two categories of fee levels, major projects and minor projects. The determination of whether a project is major or minor is based on the extent and complication of the applicant's proposed encroaching objects and the necessary staff time for review. Projects that involve a simple sign encroachment are much easier and faster to review than projects with numerous signs, canopies, shoring systems, etc. With large projects, more documents are required to be reviewed and analyzed.

The fee calculation is as such:

Encroachment Permit & Covenant Review (Major)				Rounded
City Engineer	2 hrs	\$280.94/hr	\$561.88	
Assistant Engineer	4 hrs	\$225.76/hr	\$903.04	
City Clerk	2 hrs	\$162.25/hr	\$324.50	
Total			\$1,789.42	\$1,789

Encroachment Permit & Covenant Review (Minor)				Rounded
City Engineer	1 hrs	\$280.94/hr	\$280.94	
Assistant Engineer	2 hrs	\$225.76/hr	\$451.52	
City Clerk	1 hrs	\$162.25/hr	\$162.25	
Total			\$894.71	\$894

We anticipate receiving around 10 major and 20 minor applications next fiscal year.

Total New Revenue FY 2024:

Major \$17,890

Minor \$17,880

CITY PROPERTY REPLACEMENT			
<i>The fee for damage or complete loss of City property is the actual cost in today's dollars to repair or replace an item back to pre-loss, condition. If an identical item is no longer manufactured or cannot be obtained, replacement cost shall be the cost of a new item which is similar to the lost or damaged equipment and of like kind and usefulness. These costs shall include staff and/or contractors for all labor and administrative time at the fully burden rate.</i>	N/A	NEW	Actual Cost
STREET TREE REPLACEMENT			
<i>The fee for the removal of a public tree is variable and shall be based on the valuation methodology published in the <u>Guide for Plant Appraisal, 9th edition</u> authored by the Council of Tree and Landscape Appraisers (CTLA). Class information used in the formula is published in the species guide of the Western Chapter of the ISA. The formula for valuation is: Tree Value = Base Value × Cross Section Area × Species Class × Condition Class × Location Class. Appraisals shall be conducted by the City through an ISA Certified Arborist or ASCA Registered Consulting Arborist. Base Value is the dollar amount assigned to one cross-section unit (square inch or square centimeter) of a tree's trunk cross-section area. Cross-Section Area is used to express tree size. Species Class is an assigned value based on all the landscape merits of a landscape tree species and its accompanying potential for problems. Condition Class is a factor indicating the health, vigor and life expectancy of a tree, as well as its quality of form relative to a "perfect specimen" of that species. Location Class is based on the functional and aesthetic contribution, which the tree makes to the site, the placement of the tree on the site, and the importance of the location in the landscape context of the community.</i>	Calculated	SAME	Calculated

The Permit Parking Program was designed to be a self-supporting City fund. Currently, the revenues generated by the sale of residential and commercial parking permits have not kept up with administrative costs such as labor and materials. The recommended fees will be closer to the true cost of administering the parking permit program and ensure the viability of the fund in future years.
