Project Description:

The City Council adopted the West Hollywood General Plan 2035 on September 19, 2011. By law, the Zoning Ordinance must be brought into compliance with the newly adopted General Plan. The West Hollywood Planning Commission will review updates to the Zoning Map and Zoning Ordinance necessary to implement key changes to land use designations and development incentives approved as part of the General Plan 2035. These changes include: creating two new commercial zoning districts, Commercial Neighborhood 2 (CN2) and Commercial Community 2 (CC2); eliminating mixed-use development incentives from certain parcels on Santa Monica Boulevard and creating the Mixed-Use Incentive Overlay Zone; creating the Commercial-Only Overlay Zone to prohibit residential uses where they may be incompatible with existing

entertainment uses; eliminating the existing density bonus for exemplary green buildings in residential zones; eliminating the existing height bonus for public parking; eliminating the existing density bonus for entertainment production facilities; and adopting an updated Zoning Map.

All parcels subject to a change in land use designation or development standard, or where existing mixed-use development incentives are being removed, are highlighted in the map below. A complete list of the parcels shown on this map is available online at www.weho.org/generalplan or at the Planning Counter and the City Clerk's office at West Hollywood City Hall, 8300 Santa Monica Blvd.
