

CITY OF WEST HOLLYWOOD
ARTS DIVISION

REQUEST FOR PROPOSALS
FREE THEATRE IN THE PARKS

Date released: March 1, 2024

Deadline to Apply: April 29, 2024 (5:00PM, PT)

The City of West Hollywood, through its Arts Division, is seeking proposals from arts organizations to present Free Theatre in the Parks in September 2024 at Kings Road Park (1000 Kings Road, West Hollywood, CA 90069).

Typical performances are intermission-less, will take place in the late afternoon or early evening, and will feature family friendly (PG-13 max) material. The City will also consider longer works requiring an intermission. Applicants should anticipate that the proposed performance will be presented a minimum of six (6) times. The performance must be original material and/or the presenter must secure licensing. The performances must be presented at no cost to the viewer, although donations may be accepted.

Performances are presented with no lighting, sound equipment or special staging area in the park. Minimal stage settings, props and costumes are encouraged. The City cannot provide overnight storage of costumes, lighting, or other production equipment in the Park. The City can provide a green room for day-of use by the performers, two on-location rehearsals, and one on-location tech rehearsal.

The City views this as a partnership with the producing arts organization. It is expected that the selected organization will play a significant role in marketing and publicizing the performances through their appropriate networks. The arts organization will be responsible for the design of marketing materials, review and approval from the City, and distribution of all collateral and promotional materials. The City will promote the program through a press release and social media.

The selected applicant is expected to maintain the insurance requirements listed in the agreement, attached as ATTACHMENT A.

It is anticipated that the season will take place in-person, outdoors, at a city park. If the City determines that in-person events are not possible, all performances will move to an online (virtual) format. The City of West Hollywood follows recommendations from the Los Angeles County

Department of Public Health (Public Health), California Department of Public Health (CDPH), and the Centers for Disease Control and Prevention (CDC).
