**JUSTIFICATION:**

On April 15, 2024, the City Council added Chapter 9.55 to Article 4 of Title 9 of the West Hollywood Municipal Code to provide for the humane removal of bee swarms and colonies from all properties in the City. The approved ordinance makes violations subject to administrative penalty procedures.

This fee is being added under Schedule C fines, which are set at \$250 for the first offense, \$500 for the second offense, and \$1,000 for the third offense. Each fine is also subject to a \$75 administrative processing fee.

INCREASE

DECREASE

FY 2023-24: Various

FY2024-25: **5% increase**

---

**JUSTIFICATION:**

The Building and Safety Permit Processing Fees are based on estimated costs of processing applications, project plan checking, and inspection services. During FY 2022-23 Fee Resolution/Fee Study it was proposed and approved that fees should be increased and would be capped at a maximum of 20 percent of actual cost with a gradual 5 percent annual increase over a period of 4 years. This is the third year of the approved increases.

<b>CITY PROPERTY REPLACEMENT</b>			
<i>The fee for damage or complete loss of City property is the actual cost in today's dollars to repair or replace an item back to pre-loss, condition. If an identical item is no longer manufactured or cannot be obtained, replacement cost shall be the cost of a new item which is similar to the lost or damaged equipment and of like kind and usefulness. These costs shall include staff and/or contractors for all labor and administrative time at the fully burden rate.</i>	N/A	SAME	Actual Cost
<b>STREET TREE REPLACEMENT</b>			
<i>The fee for the removal of a public tree is variable and shall be based on the valuation methodology published in the <u>Guide for Plant Appraisal, 9th edition</u> authored by the Council of Tree and Landscape Appraisers (CTLA). Class information used in the formula is published in the species guide of the Western Chapter of the ISA. The formula for valuation is: <b>Tree Value</b> = <b>Base Value</b> × <b>Cross Section Area</b> × <b>Species Class</b> × <b>Condition Class</b> × <b>Location Class</b>. Appraisals shall be conducted by the City through an ISA Certified Arborist or ASCA Registered Consulting Arborist. <b>Base Value</b> is the dollar amount assigned to one cross-section unit (square inch or square centimeter) of a tree's trunk cross-section area. <b>Cross-Section Area</b> is used to express tree size. <b>Species Class</b> is an assigned value based on all the landscape merits of a landscape tree species and its accompanying potential for problems. <b>Condition Class</b> is a factor indicating the health, vigor and life expectancy of a tree, as well as its quality of form relative to a "perfect specimen" of that species. <b>Location Class</b> is based on the functional and aesthetic contribution, which the tree makes to the site, the placement of the tree on the site, and the importance of the location in the landscape context of the community.</i>	Calculated	SAME	Calculated
