

Statement of: Dorian J. Jackson
Candidate for: City Councilmember
City of West Hollywood

With 18 years of residency in West Hollywood and a robust background in public service, I am honored to present myself as a candidate for City Council. My deep connection to our community and experiences equip me to address the issues that matter most to our residents.

Homelessness is a pressing challenge that requires a thoughtful, multifaceted approach. I am committed to enhancing support services, expanding affordable housing, and implementing effective solutions that balance compassion with practicality.

Safety is essential for a thriving community. I will focus on bolstering our public safety measures, improving emergency response systems, and fostering a safe environment where every resident feels secure and valued.

Caring for our elderly and young families is a top priority. I will work to expand resources for senior services and caregiving, while also supporting initiatives that ensure young families have access to the resources they need to prosper.

Additionally, I am passionate about **bringing and maintaining diverse businesses** in West Hollywood. By supporting local entrepreneurs and fostering a dynamic business environment, we can strengthen our economy and enhance the unique character of our city.

My slogan, “**Your Voice, Your Future, Your City,**” embodies my commitment to listening to and representing the diverse needs of our community. Together, we can continue to build a West Hollywood that is inclusive, safe, and vibrant for all.

I humbly ask for your support and vote to bring a dedicated, experienced, and forward-thinking approach to our West Hollywood City Council.
