2024 General Municipal Election | City of West Hollywood Specifics

City of West Hollywood voters will receive complete ballot information by mail. In addition to voting in the Presidential Election, locally, City of West Hollywood voters will:

- Vote to fill two (2) West Hollywood City Council seats for four-year terms; a list of qualified candidates is available at www.weho.org/elections; and
- Vote on Measure WH. If approved by West Hollywood voters, Measure WH would not enact a new sales tax. If Los Angeles County or regional government agency imposes a future sales tax that impacts West Hollywood, Measure WH will automatically redirect ¼ cent of those sales tax funds collected in West Hollywood to the City, that could be used to maintain the services local residents have indicated are important, including keeping public areas safe and clean, responding to crimes and thefts, addressing homelessness, retaining and attracting local businesses, maintaining/repairing streets, and maintaining public safety patrols in residential/commercial areas. Details are available at www.weho.org/measurewh.

If you are already registered to vote, you will automatically receive a ballot in the mail for the 2024 General Election. Mailing of Vote-by-Mail ballots (and using Ballot Drop Box options for these ballots) begins 29 days prior to Election Day, on **Monday, October 7, 2024.**

Fill out the ballot, then seal, date and sign the envelope. You do not need a stamp. Simply return your ballot by mail — or drop the ballot off at any clearly marked Ballot Drop Box or at any LA County Vote Center, once Vote Centers open. You may have a trusted person return your ballot for you, but make sure it is someone you know and trust to handle your ballot

Return your ballot at any time and no later than 8 p.m. on Election Day, which is Tuesday, November 5, 2024. Ballots sent by mail will be counted if postmarked by Election Day and received within 7 days after Election Day.

The Los Angeles County Multilingual Voter Services program is available to assist voters to receive Vote-by-Mail (VBM) ballots in one of 13 languages. Voters may call toll-free (800) 815-2666, option 3, for assistance and to request translated election materials.

Vote early! If you are planning to return your ballot by mail, send it in as soon as you can.
