 The matrix of senior services will be prioritized based on such factors as service gaps; opportunities for joint efforts; limited/no opportunities for joint efforts; greatest need, etc. Once those services that are most needed/best regionally coordinated are identified, we can meet with funding providers to see what, if any, opportunities for funding exist. Committee members are also asked to recommend areas where the committee might benefit from presentations from outside professionals on subjects where our services may not be as strong as they could be.
