

Bandit Taxicabs are lurking in West Hollywood!

Riding in a bandit taxicab (unlicensed taxicab) is a **HUGE** risk and may jeopardize your safety.

Why?

- **Some passengers** have been overcharged, victimized by credit card fraud, identity theft or theft of their ATM PIN number
- **Some drivers** have been found to have criminal records or have committed sexual assault
- **Some drivers** may have drug or alcohol problems
- **Bandit taxicabs** sometimes are not insured

BEFORE YOU ENTER A TAXICAB, check to see if it is displaying a City of West Hollywood “Licensed Taxicab” seal!
