Leah Archibald provided background information as outlined in the staff report dated September 20, 1993.

Ms. Archibald suggested Council provide some direction as to the 50% discount for low-income and disabled residents.

Mayor Guarriello requested a noticing report.

City Clerk Love stated that the notice of public hearing was published in the West Hollywood Independent on September 8, 1993 and was posted in the required locations.

Mayor Guarriello opened the public hearing and the following persons addressed the Council:

SONNDRA MAY, WEST HOLLYWOOD, was in support of ordinance.

PATRICIA TITO, WEST HOLLYWOOD, in support of ordinance.

JAMIE PINN, was in support of ordinance. Stated dog licensing should not carry the full responsibility of animal control services.

CAROLE ELLIS, CHAIR OF ANIMAL WELFARE TASK FORCE, in support of ordinance. Have been working on this ordinance for a year and 1/2.

GAIL CHRISTIANSEN, WEST HOLLYWOOD, has done public relations for animal shelters. One enforcement of a so-called unenforceable law does educate people. Supports ordinance.

DORIS ROMEO, WEST HOLLYWOOD ANIMAL WELFARE TASK FORCE, spends a great deal of time trying to educate the public and is in support of the ordinance.

NORMA SANDLER, TASK FORCE AND WILDLIFE PROTECTION LEAGUE, was in support of the ordinance. Issue which has not been addressed is the disappearance of song birds due to hungry animals.

KAREN CAESAR, WEST HOLLYWOOD, expressed enthusiastic support of the ordinance.

CHRISTINA BABST, MEMBER OF TASK FORCE, urged the support of the ordinance.

MIKE RADCLIFFE, LOS ANGELES, strongly disagrees with this issue. Inquired how the City intends to enforce this law.

ROSLYN KRAUSE, WEST HOLLYWOOD, indicated that a member of the task force went onto private property and stole her cat.

STAN LOTH RIDGE, WEST HOLLYWOOD, stated that this ordinance will cost everyone and most of the money will go to the County. Opposes this ordinance.

AL WEISSMAN, WEST HOLLYWOOD, opposes the ordinance because feels it is a ploy to get money for the City.

BOB BALLENGER, L.A. COUNTY ANIMAL CONTROL, praised the Task Force. Stated that the County will enforce the ordinance. He indicated that if the Council's desire is to license more animals then the ordinance will be effective. However, if the goal is to raise revenues to subsidize the program he feels it will not since the section of the ordinance which allows a discount will cost the City.

MARJORIE LESERMAN, strongly supports the ordinance. Supports the task force and the work that they do.

Mayor Guarriello closed the public hearing.

Councilmember Koretz stated that the present method of animal control is ridiculous. As far as the licensing of cats it will be the way of the future. L.A. County is currently doing this. Cat licensing is the only way to encourage spaying and neutering. He felt that this also provides a type of tracking system for these animals. He stated that it works largely on the honor system similar to the dog licensing. One thing which wasn't included in the ordinance was the incentive for spaying and neutering.

Councilmember Lang stated that she does not see this ordinance as enforceable. She has a long list of cities in which this type of ordinance does not work. She stated she felt this ordinance was invasive. If there is some type of educational program she is in favor of the spaying and neutering program. Stated she is a little cynical of the honor system. Not in favor.

Mayor Pro Tem Land stated that she is not a pet owner and feels that people who own pets have a great deal of love for their animals. Does not really see the reason why cats should be treated differently than dogs. Stated she imagines we will have just as much difficulty in enforcing cat licenses as we do in enforcing dog licenses. She said she would like to see

a review in six months and see how it is working. She asked if there could be a stud instead of a collar. She also felt a fee honor system would work. She asked about breeders and how to implement the test and suggested looking at different ways to implement it.

Councilmember Heilman stated that the task force has done a very good job in explaining why this is necessary. Feels it is important that the task force stays together to help with the education portion of this. In response to the issue of the altered pet permit, he suggested changing the fee differential between the altered and the non-altered. Will need to look at this in a year.

Mayor Guarriello stated he concurred with Councilmember Lang and felt the review in six months will never happen.

Councilmember Koretz stated that it is working in some cities such as San Mateo. Would encourage the Council to support the ordinance as recommended and feels it would be effective,

ACTION: Introduce for first reading Ordinance No. 383, "AN ORDINANCE OF THE CITY OF WEST HOLLYWOOD ADOPTING BY REFERENCE TITLE 10, ANIMALS, OF THE LOS ANGELES COUNTY CODE AND AMENDING THE WEST HOLLYWOOD MUNICIPAL CODE." Motion by Koretz, seconded by Land and carried on a roll call vote:

AYES: Heilman, Koretz, Land

The City will be holding public hearings in October to receive comments on the cable franchise.

Councilmember Lang stated that she wanted to make a comment regarding the Alliance for Citizens on the East Side. She commended Ruth and stated she is willing to work with this organization. She also indicated that as far as the Sheriff's is concerned, there was a comment that there are less cars on the street, and it is simply not true. Although there was a budget cut, it did not affect the number of deputies on the street.

Mayor Guarriello requested staff look into the Westmount property mentioned earlier tonight.

Councilmember Heilman stated that the property owner keeps indicating that the property is for sale. Staff has been directed to criminally prosecute.

Councilmember Heilman stated that William Scott Field has been appointed to the Cultural Heritage Advisory Board. He extended his congratulations and welcomed him to the Board.

He indicated that he concurred with Councilmember Lang regarding the new group on the east side and is looking forward to working with them.

Mayor Pro Tem Land concurred with fellow Councilmembers relative to the group on the east side. In addition, she wanted to report that Councilmember Heilman was invited to the White House for a special briefing relative to health insurance.

Councilmember Koretz announced a meeting in the Community Conference Room at City Hall for the "No on 174" committee. Everyone is welcome. Stated he is excited about the formation of the new east side group. Lastly, he commented on the death penalty and indicated that he felt it is not the answer as crime is up.
