The City of West Hollywood Requires Face Coverings in Public

The coronavirus pandemic is changing life for all of us.

There are urgent concerns about a rise in the rate of COVID-19 infections.

West Hollywood Sheriff's Station personnel are focused on education about face coverings, but may issue an Administrative Citation if someone refuses voluntary compliance to use a face covering — a first violation is \$250 plus a fee of \$50.

When in public, people in West Hollywood should maintain physical distancing of at least six feet and use a face covering in order to reduce the transmission of coronavirus (COVID-19).

We can defeat the coronavirus pandemic faster when we all work together.
